Re: Numbering Resource Optimization; Petition of the California Public Utilities
Commission for Authority to Implement Technology-Specific Overlay Area Codes;
Petition of the California Public Utilities Commission for Waiver of the Federal
Communication Commission's Contamination Threshold Rule, CC Docket No. 99-200

Dear Ms. Dortch:

An area code split in 310 would hurt me for these reasons:

- My business - printing all new stationery + business cards.
- sending out ~~new~~ announcements w/ the new area code; will lose + money, when I could be working my business.
- Inconvenience.

I urge the FCC to grant the petitions filed by the California Public Utilities Commission as soon as possible.

Please consider this letter as part of the record in this proceeding.

Thank you,

Kim E. Eichen
